

GENERAL NOTES

The drawing is copyright and owned by AFA Architects & Planners limited, and is for use on this site only unless contractually stated otherwise.

All other design team elements, where indicated, have been imported from the consultant's drawings and reference should be made to the relevant consultant's drawing for each setting out, set out type or completion.

Discrepancies and/or ambiguities within this drawing, between it and any other documents, shall be reported immediately to the architect for clarification before proceeding.

All works carried out in accordance with the latest British Standards and Codes of Practice unless specifically detailed otherwise in the specific plan.

Responsibility for the reproduction of this drawing in paper form or electronic form shall remain with the architect. Any reproduction of all information has been replicated in full and is correct when compared to the original paper or electronic image. Graphical representation of realignment on this drawing have been approved by the architect. The architect shall be responsible for the specifications and/or details for actual sites and/or specific contractor construction information.

Refer to the relevant Construction (Design and Management) documentation where applicable.

It is assumed that all works on this drawing will be carried out by a competent contractor, working where appropriate to an approved method statement.
